

**INDIA-BORN  
GLOBALLY TRUSTED  
LEADING THE  
FUTURE OF IP,  
LEGAL & INNOVATION  
SERVICES**

**Top 10 IP Prosecution Firm (6 Consecutive Years)  
Government-Recognized IP & Research Service Provider  
Trusted by Global Corporates, Law Firms, HEIs, and Startups in 150+ Countries**

At Ennoble IP, we are building more than a company — we are shaping a global force for innovation, intelligence, and impact. As we redefine our identity on the world stage, our mission is rooted in the strength of our people, powered by cutting-edge technologies, and inspired by India's rise as a knowledge leader. We are committed to delivering next-generation IP, legal, and research solutions that empower enterprises, law firms, and institutions to lead with confidence, protect with purpose, and grow sustainably in a connected world.

Founder & CEO

ENNOBLE IP

*Driven by Purpose. Delivered with Precision. Designed for Impact.*

## OUR MISSION

At Ennoble IP, our mission is to empower the world's most ambitious innovators, institutions, and leaders through people-first, technology-enabled solutions in IP, legal, and research intelligence. We are a purpose-driven collective of analysts, strategists, technologists, and legal minds — united by our culture of excellence, speed, and integrity. Together, we turn complex challenges into actionable outcomes, protecting ideas and propelling global innovation forward. At Ennoble IP, we don't just support innovation — we live it, lead it, and elevate it.

## OUR VISION

To build a legacy as the world's most trusted and future-defining transformative intelligence partner — powered by people, driven by Hi-Tech, rooted in Indian values, and aligned with sustainable global growth. At Ennoble IP, our diverse and dedicated team transforms ideas into protected assets, innovations into impact, and ambition into leadership — empowering every client to thrive in the knowledge economy of tomorrow.

*Driven by Purpose. Delivered with Precision. Designed for Impact.*
